Sponsor a Day with your Dog! Support the 2020 MetroWest K9 5K, an enjoyable and healthy day with your dog to promote people and their pets "staying healthy together." This fifth annual event is taking place VIRTUALLY this year starting on Sunday, June 14, 2020. Runners, walkers, and supporters can participate from the comfort of their neighborhood with their furry friends. Even though we have to be physically distant, we can come together to help support the MVMA Charities and its animal welfare programs and promote the overall message of dogs, family, health, fitness and fun!

Proceeds from the event will be donated to the MVMA Charities to sustain and develop programs that serve all communities in Massachusetts through the funding of stray animal care and emergency and disaster preparedness and response training.

Because this is a virtual event, we can reach a broader audience! There are three participation levels available that provide high visibility for your company. Thousands of people could see your company's name in our online, social media, and community marketing. Depending on your level of support, your company's name can be on race shirts, providing advertising that will continue well after the event.

If you have any questions about the event, please contact co-chairs Steve Greenberg at (508) 641-1222 or steveg@metrowestK95K.com or David Schwarz, DVM at (508) 561-7167 or dschwarz@metrowestK95K.com.

We look forward to your support so that we can promote people and their dogs "**Staying Healthy Together.**"
